

## EU DECLARATION OF CONFORMITY

This declaration of conformity is issued under the sole responsibility of GN Hearing A/S. The following equipment complies with the directives: RoHS 2.0 (2015/863/EU), R.E.D (2014/53/EU), EMC Directive (2014/30/EU), LVD (2014/35/EU), EU Packaging and Packaging Waste Directive 94/62/EC, and the regulation REACH (EC) 1907/2006 compliance programs issued by the Commission of the European Community.

REACH: (Registration, Evaluation, Authorization, and Restriction of Chemicals - (EC) 1907/2006):

- The substances restriction list - Annex XVII from ECHA, please refer to the following link:

<https://echa.europa.eu/substances-restricted-under-reach>

- The substances listed in SVHC (Substances of Very High Concern) must be <0.1% by weight (1000 ppm). Please refer to the following link: SVHC Candidate List.

<https://echa.europa.eu/candidate-list-table>.

The substances listed in SVHC >0.1 % by weight.

| Parts | Substances Name | EC Number | CAS Number | Concentration Value % |
|-------|-----------------|-----------|------------|-----------------------|
| N/A   |                 |           |            |                       |

Marketing Name: [Arctis Nova 1](#), [Arctis Nova 1P](#), [Arctis Nova 1X](#)

Product Name: [Headset](#)

Model Number: [HS-00027](#)

Brand Name:  **steelseries**

|                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
